Dear Sir / Madam,

I have registered you in our records under the above number. This recording was made following the registration in the Commercial Register of the Chamber of Commerce. Based on the available data, I have assessed your situation and concluded that the concept of enterprise is not applicable to you; therefore, sales tax, deduction obligation for taxable salary and tax compliance for corporation tax are not applicable to you. You do not need to report sales tax, taxable salaries and corporation tax. If in future, the actual circumstances change, you must register for a tax re-assessment.
